	Untangling Lines of Authority – Genesis of Title VII – Civil Rights and English Learners – <i>Lau v. Nichols</i> – Transition vs. Maintenance – Segregation Question – <i>Lau</i> Enforcement – Political Backlash – Federal Grant Programs – OCR’s Retreat – <i>Castañeda</i> Standard	

6	English Only or English Plus?	131
	Official Language Question – Roots of U.S. English – Charges of Racism – Hidden Agendas – English Plus Alternative – English Only vs. Bilingual Education – Secretary Bennett’s Broadside – Research Debate – 1988 Battle over Title VII – Stanford Working Group – Improving America’s Schools Act	

THEORY

7	The Effectiveness Question	158
	Narrow Focus on Language – Federal Research Agenda – Flawed Evaluation Studies – AIR Report – Methodology Matters – Role of Theory – Basic Research vs. Evaluation Research – Standards of Scientific ‘Proof’ – Baker–de Kanter Report – Willig’s Meta-Analysis – Rossell and Baker vs. Greene	

8	Basic Research on Language Acquisition	182
	Language-Learning Methodologies – Chomskyan Revolution – Critical Period Hypothesis – Input Hypothesis – Interdependence Hypothesis – BICS and CALP – Threshold Hypothesis – Empowering Minority Students – ‘Semilingualism’ and Deficit Models – Challenge to BICS/CALP Distinction – Krashen’s Critics – Cognitive Effects of Bilingualism	

9	Considering Program Alternatives	213
	Canadian Immersion Models – Additive vs. Subtractive Bilingualism – Time-on-Task Hypothesis – Research on Immersion in U.S. – Ramírez Report – Age-on-Arrival Studies – De Facto Bilingual Education – How Long To Acquire English? – Thomas-Collier Report – Controlled Study in Miami	

PRACTICE

- 10 The Case Studies Project** 248
A Theoretical Framework – Gradual-Exit Model – Developing the Native Language – Designing a Curriculum – Adapting the Model – Team Teaching – Student Outcomes – Flexibility vs. Leadership – Eastman Replication Project
- 11 Indian Language Education** 266
 Endangered Languages – Need for Bilingual Education – Special Case of LEP – Early Title VII Programs – Native Literacy – Teacher Training – Self-Determination at Rough Rock – Reversing Language Shift – Tribal Language Policies – Native American Languages Act – Promising Program Models
- 12 Two-Way Bilingualism** 286
 Costs of Monolingualism – Impetus for Two-Way Programs – Oyster Experiment – Federal and State Policies – Criteria for Effectiveness – 90/10 Model – 50/50 Model – Research Questions – Grounds for Optimism – Power Relationships

POLITICS

- 13 Disaster at the Polls** 312
 Mythologizing Bilingual Education – Mandates and ‘Reforms’ – Politicizing Research Findings – English-Only Movement, Phase II – Crafting Proposition 227 – Legal Provisions – Campaign Strategies – Arguments Pro and Con – ‘95 Percent Failure Rate’ – Responding to Ron Unz – Lessons for Advocates
- 14 No Child Left Untested** 336
 Language Policy and School Reform – *A Nation at Risk* – Educational Quality and Equality – ‘School Choice’ – Standards and Goals – Accountability Mechanisms – ESL Standards – High-Stakes Testing – No Child Left Behind Act – Implications for English Learners

15	Advocating for English Learners	362
	Changing Political Currents – Impact of Public Attitudes – Conflicting Opinion Surveys – Racism or Ignorance? – Media Bias – Advocacy Imbalance – Legal Challenge to English Only – Disputed Outcomes in California – Proposition 227 in the Classroom – Educators and Advocacy
